Wednesday, September 12, 2018

Lower Level Training Room from 5:00 pm to 6:30 pm

Or

Richard Hall Community Mental Health Center, 500 North Bridge Street, Bridgewater, NJ 08807

Wednesday, September 26, 2018

Multipurpose Room from 5:00 pm to 6:30 pm

Presenters: Steve Kairys, MD, MPH, FAAP Chair of Pediatrics, Jersey Shore Medical Center

Sam Wakim, DMD, MPH, Chief Dental Officer, Zufall Health Center

### **The overall learning objectives are for the participants to:**

- Recognize signs and behavioral indicators of abuse and neglect
- Describe the prevalence of child abuse and neglect nationally and in NJ
- Know the facial and oral injuries associated with child abuse
- Understand when dental diseases may indicate caregiver neglect or child abuse
- Explain when and how to report child abuse according to NJ law
- Understand the role of the Division of Child Protection & Permanency (DCP&P) in protecting children and families at risk

Medical/Dental Continuing Education credits available: 1.5 AMA CME credits as well as 1.5 CDE approved by NJ State Board of Dentistry. Light supper provided. Early registration is encouraged as seating may be limited.
